

November 5, 2009

Dear NASSCO Member:

We are just over 90 days away from our 2010 Annual NASSCO Meeting and I'm thrilled to write and tell you that we will follow the same innovative and exciting format as in the past few years, which includes business matters as well as many relevant technical presentations/discussions. As you look ahead at 2010, I encourage you to make every effort to attend this important meeting. It's definitely one not to be missed.

As a result from feedback from you, we designed a powerful annual meeting format that will deliver both significant networking opportunities and intense education and training opportunities. We are pleased to conduct the 2010 meeting & golf tournament in the beautiful setting of Don Shula's Hotel and Golf Club in Miami Lakes, FL, enabling you to enjoy time to network on the golf course or relax by the pool. We have a limited number of rooms reserved at the low price of \$209.00 per night. I advise you to make your reservations early to lock in the special NASSCO rate.

The Welcome Reception on Wednesday, February 10th will be an evening of networking with familiar as well as new faces while enjoying good food and drink. The first day of the meeting (February 11th) will cover NASSCO business-related issues including elections and committee assignments. We have many good things to report and many exciting plans for the future. The second day (February 12th) is comprised of a technical program that will highlight new and existing technologies, and provide you with a lot of useful information.

Please take a moment to mark your calendar and register for NASSCO's Annual Meeting & Golf Tournament – Feb. 10-13, 2010. The Annual Meeting is the place to join a committee or form new special interest committees, so we urge you to get involved. We also encourage you to bring a guest! In response to your requests, we have reduced the registration fee for all attending guests.

Please send your completed registration today by: email to administrator@nassco.org, mail to the address below or fax to 410-486-6838.

I look forward to hearing from you soon and seeing you in February.

Sincerely,

Irv Gemora
Executive Director
