Composites One Presented with 2009 Platinum Award from Great West Casualty Company

Company Recognized for Carrier Safety for Eighth Consecutive Year

Arlington Heights, IL, June 03, 2010...Composites One LLC was presented a Platinum award by Great West Casualty Company as a part of the 2009 National Safety Awards Program. This is the eighth consecutive year that Composites One LLC has been named an award recipient.

The National Safety Awards Program recognizes carriers in similar operations (truckload and less than truckload) with awards based on their year-end preventable accident results. Carriers are eligible to receive a Platinum, Gold, Silver or Participatory award. This past year, the program drew over 800 participants from across the country.

“Composites One has built a reputation on striving to prevent accidents allowing for the safe delivery of its materials for many years,” said Bill Rudersdorf, Director of HS&E for Composites One. “It is part of our company-wide value statement that we maintain safe operations in all aspects of our business.”

In addition to receiving the Platinum award, Composites One was also named as the number one carrier in the Great West Elite Fleet Program. Carriers receive this special designation by meeting certain safety criteria throughout the year.

Great West Casualty Company is the nation’s leading provider of property and casualty insurance for the trucking industry. With over 50 years of experience, Great West offers risk management, underwriting claims and loss
