*Tell us a little about you – how did you end up in this industry?*

*A cousin hired me for the summer after high school at M Caputo & Assoc in 1980.*

*Tell us about your company.*

*We are chemical & grease control company providing root control services, equipment and grease additive products*

*Why did you join NASSCO?*

*To participate on broader scale in the industry*

*What are the top challenges facing our industry?*

*National awareness and federal, state and local funding*

*How should NASSCO help address this issue?*

*Lobbying on a federal and state levels*

*How has being a NASSCO member helped your career or business?*

*PACP helped me start a training program in a previous company that helped us bring our company to a new level.*

*What else should other NASSCO members know about you? your business?*

*We have been in the root control business since 1999 and treated over 1,000,000 of pipe from Maine to Florida out to Illinois and down to Texas*
