

Dear NASSCO PACP© Training Attendee:

We are offering, through the University of Texas at Arlington, Continuing Education Credits (CEU) to anyone who successfully completes the PACP© training. There is no charge for this service. Under the CEU System, one unit is awarded for completion of 10 hours of participation in an organized continuing education program that provides responsible sponsorship, capable direction and qualified instruction. Each individual will receive 1.7 units for PACP, 0.45 units for MACP, 0.35 units for LACP, and 0.8 Units for PACP re-certification after successful completion of each course.

Engineers, municipal personnel and anyone requiring continuing education credits receive immediate recognition for career development efforts.

The CEU System:

- Allows you to build a permanent record of achievement as you take part in education or training to further your career.
- Provides a means for showing supervisors, personnel officers and others an official summary of training you have completed as part of your preparation for a wider range of responsibilities and higher-level positions
- Offers a means for providing official confirmation to certification bodies, licensing boards and professional societies.

Thank you for your participation in NASSCO's PACP© training course. If you are interested in obtaining these credits, please contact Dawn Jaworski at the NASSCO Office with the required information (listed on the back of this form).

You may provide the information by mail, fax or email:

NASSCO, Inc.
11521 Cronridge Drive, Suite J
Owings Mills, MD 21117
Fax: 410-486-6838
Email: dawn@nassco.org

If you have any questions, please feel free to contact Dawn Jaworski at 410-486-3500.

Sincerely,

A handwritten signature in black ink that reads "Ted DeBoda".

Ted DeBoda
Executive Director
