

Technical Bulletin

Issue # 109

Date 7/19/11

Version PACP Export V2.2, V4.2, V4.4, V6.0

Issue

Path for video and pictures not complete in database.

Requirement

The field requirement for the Media table states “For digital recordings, path of video file relative to corresponding data file”.

Conclusion

The complete path to the video or picture, including all folders, is required to be exported into the MEDIA INSPECTION TABLE: VIDEO LOCATION and the MEDIA CONDITIONS TABLE :IMAGE PATH and VIDEO FILE PATH.
